SUNBRITE

High Gloss Seal and Finish

Description:

Sunbrite is an ultra-durable high gloss thermoplastic seal and finish for all types of stone and tile floors. Sunbrite resists scuffs, scratches, heel marks, and wear. Sunbrite also has a higher slip resistance factor than most finishes so that it gives you an extra margin of error on marbles, terrazzo, granite, and other hard floors.

Benefits:

- Extremely scuff, scratch, and wear resistant
- Easily burnished to a high gloss
- Can apply up to six coats in one day
- Can be used with low speed machines in spray buff programs
- Detergent-resistant, but easily strippable
- Non-yellowing, hazing, or clouding
- Fast drying
